ARGREGOR BEATEN AGAIN.

John McGurk, P. Dunne's Wadsworth—Preference four-year-old gelding, won the Superior Handicap at Harlem yesterday with ridiculous ease. The stake was a dash of a mile and a half for three-year-olds and upward, with \$2,500 added. Of the nine scheduled to start Aladdin and Flying Torpedo were absentees, leaving seven to face the barrier. Argregor was made an 8 to 5 favorite, and at these odds was the medium of heavy backing, while Hildreth's entry, Hermencia and Nitrate, held at 2 to 1, found many supporters. John McGurk was held at 5. To a good start, Nitrate at once shot to the front, followed by John McGurk and Frangible, with the rest of the field well bunched. There was little change in these positions until six furlongs had been run, when Argregor moved up into third position, displacing the tiring Frangible. Nitrate continued to hold what appeared to be a winning lead until nearing the last eighth, where Walsh brought up John McGurk with a rush and, passing Nitrate with consummate ease, won going away by three lengths, while Nitrate beat Hermencia two and a half for second place. Hermencia finished with a belated rush, nipping Argregor on the post for third place. Buchanan made his run entirely too late, as Hermencia was going fast at the end. Argregor tired palpably in the last eighth and has evidently gone back. Arterna's race was simply inexplicable, as she was a thoroughly beaten mare after the first seven furlongs had been run. The race, from a handicapper's viewpoint, was somewhat of a failure. The stake was worth \$2,880 to the winner.

Federal's high speed won the fourth race, a six furlongs dash. The best sprinters in the west started in this race, which narrowed down to Federal and Brulere at the finish. Marta Santa, displaying keen speed, showed the way for five furlongs, where she fell away beaten. Along about the last sixteenth Brulere moved up fast and appeared the winner, but Federal, coming with a tremendous rush, just got up in time to get his nose under the wire first in a desperate drive. Andes was an indifferent third. He showed sudden improvement, but is an in and out and almost impossible to place right. Nickey D., on which the talent placed their hopes, showed fairly well for five and a half furlongs, but tired fast when the last sixteenth struggle came up. Money Muss showed his usual turn of speed.

The last race went to the favorite, Caliban, which beat Ben Chance two lengths easily. Rollick II, finished a fair third, beating Lady Chorister a neck on the post for that place. Ben Chance finished strongly, but Munro was of little help to him when a good, vigorous ride might have given him a winning chance. Alene Abbott showed speed for six and a half furlongs as did also Benckart. The latter is gradually rounding into his best form and bears watching from now on.

Ed Corrigan's Layia, which runs to her best form on a fast track, proved to be much the best in the day's opener, coming strongly in the last sixteenth, and winning easily by three lengths going away. Martin Bell finished second, a length before Lime-light. Martin Bell showed speed, but tired slightly when challenged by the winner. Chorus Boy beat the flag by two lengths, but ran well for only a half mile. Huzzah was right there for six and a half furlongs.

Linguist ran the best race he has shown here this year, taking the fast Stem Winder into camp. He displayed a sharp turn of speed and after the first eighth had been run moved up fast and grabbed Stem Winder, the two running almost as one horse until just after turning for home, where Linguist began to draw away. In the last hundred yards, however, Stem Winder rallied causing Coburn to ride out Linguist to the limit to win by a half length. Mda was a beaten off third. She showed a flash of early speed. Lendin and Foxy Kane ran

poor races especially the former, which showed scant speed and was never a serious contender.

Haviland at last was able to maintain his speed for a mile and took the fifth race in a mild drive by three-fourths of a length from Alard, which beat Barrack ten for second place. Haviland assumed command after the first quarter had been run and was never afterward headed. Alard closed up fast in the last eighth, but hung perceptibly in the closing strides. Corrigan ceased to be a serious contender after six furlongs had been run. He possibly runs to his best form in the mud. John A. Clarke showed early speed.

A crowd of over 10,000 was present and enjoyed by far the best day's sport of the meeting. The track was fast and should be at its very best Monday in case no rain falls in the meantime.

Winner—B. c. by His Highness—Nettie (trained by J. McLaughlin). Went to post at 2:30. At post 3 minutes. Start good. Won handily; second driving. Sovereign broke fast and led practically unextended except for being mildly handridden in the last sixteenth. He runs and looks as if he outclassed and can beat good ones. Mount Kisco was favored by the going and finished fast after overcoming interference when a furlong out. Monte Carlo lacked his usual early speed, was bearing out at the stretch turn and quit at the end. Damon went remarkably well throughout. Gold Van is a rater and out of place except over a longer distance, but came out of close quarters with a rush at the end. Roxboro was right there. Virgin Soil, a reputed good one, was prominent and held on well.

Scratched—(34065) Rosetint, 114; (34017) Barkelmores, 105.

Sovereign, show, 3 to 5. Mount Kisco, show, 2 to 1. Monte Carlo, show, 1 to 4.

Winner—B. c. by Mars—Sepia (trained by A. L. Aste).

Went to post at 3:00. At post 4 minutes. Start good. Won easily; second driving. Lucent, on which Wonderly rode a confident race, easily took the lead in the stretch and was best. Khitai was crowded on the first turn, but made up much ground and finished fast. Atheola sustained her superior speed gamely and should improve. Justice was nearly left and closed a big gap. He finished very strongly, was second best. Great American ran in improved form. Gold Braid was evidently short. Rossignol may make good over a distance of ground and runs kindly with a slow early pace.

Scratched—(34041) Dr. Clark, 108.

Lucent, show, 1 to 3. Khitai, show, 4 to 1. Justice, show, 7 to 5. Gold Braid, show, 1 to 2.

Winner—B. c. by Indio—Flora Hurst (trained by T. Welch). Went to post at 3:25. At post 3 minutes. Start good. Won driving; second easily. Hurstbourne followed the remarkably improved Blue Ribbon closely and wore him down at the end after a terrific drive through the entire length of the stretch. The brother to Blues gave a glimpse of high class form and was evidently favored by the soft going. Woodlake held on well in the cuppy going. Tantalus Cup broke slowly, closed a big gap and finished fast and runs like a pronounced stayer. Artvis was unable to concede the weight, but ran a good half. Prediction finished well. Dalezman was not good enough at the weights.

Scratched—(33478) Whitechapel, 122.

Winner—B. c. by Himyar—Semaphore (trained by P. Wimmer).

Went to post at 3:50. At post 1 minute. Start good. Won easily; second the same. Hyphen showed the way throughout practically unextended, never was urged even in the stretch and held Major Daingerfield safe at all stages. The latter attended the winner closely for the first mile and was an easing up second. Homestead was handicapped by the going and fell out of contention after a half had been run.

Scratched—(33749) Old England, 123.

JAMES IS AT SARATOGA!

I have got the "inside" line on all the star "tricks" that will be turned loose here. I have been at
Saratoga two weeks and know the history of every "good thing" that is now on the ground. I know those
that are ready to be served up "piping hot" and those that are half-cooked "babies," and will keep my
"GIG LAMPS" on them until they are also ready for serving. Unless you know the ripe melons from the
green ones you won't have a chance in a million to pick the WINNERS. "Dope" and handicapping
never cut any "freezes" at Saratoga. "Works" and early morning trials alone get the coin. That
accounts for my wonderful success there yearly. If you are a handicapper throw away your "dope"
book as a useless expedient. "Hop ledgers" will be barred in the betting and it is "info" that you must
have; and talking about "info," there is only one from whom to get it. It seems needless to mention
the name, but it is spelled something like J-A-M-E-S. My terms are \$10 for SIX SPECIAL TRACK
WIRES (sent in cipher). When killings are made, I have them, and you can get next to them by becoming
one of my numerous followers. A copy of "How to Bet Successfully" will be mailed free on application.

COMMON SENSE REASONING.

The reason the majority of horse people are not successful on the turf is this: Should a horse be
at 15 or 20 to 1 you will bet \$5 or \$10, and should the same trick be at even money, you will put down \$100
straight without a second thought. This is a big mistake. The only way to beat the horses is to put a
uniform bet on each trick that you have information on. No matter should his price be 2 to 5 or 50 to 1,
you should be governed by a uniform bet. That is why our big bettors have been so successful, namely,
"Pittsburg Phil," Dave Johnston, Dave Gideon, "Cad Irish," J. McGinnis and numerous lesser lights.
I will operate an account for you. Playing my selections, I will accept an account of \$25 or \$50 and will
place \$5 or \$10 straight on each one of my selections (two a day), mailing or wiring you my two good things
each morning. When I operate for you I charge nothing for my information, but deduct a commission of
20 per cent. at the end of each week for my trouble. Winnings remitted to you at the close of each week.

Stem Winder faltered just after turning into the stretch and then rallied along about the last sixteenth, causing Coburn to urge out Linguist to the limit. Mda showed speed, but tired fast in the last three furlongs. Lendin and Foxy Kane ran nowhere near to their best form.

Went to post at 3:40. At post 3 minutes. Start good. Won in a canter; second easily. John McGurk was much the best at the weights, and when called upon in the last eighth simply ran away from the field. Nitrate showed much speed and was much the best of the others. Hermencia was held too far out of the race, Buchanan making his run too late. The gelding finished strongly and got up in time to nip Argregor on the post for third money. The latter tired fast when the pinch came. He has probably gone back some. Artena's race was too bad to be true. She was a badly beaten horse after running seven furlongs.

Went to post at 4:10. At post 6 minutes. Start good. Won driving to the limit; second easily. Federal's high class prevailed at the end. He came with a great rush at the end after making up much ground and won in the last strides by the shortest of margins. Brulare ran an impressive race, coming from nowhere in the last quarter and finishing with great determination. Andes showed sudden improvement and ran a good race. Nickey D. tired badly when the pinch came and ran far below his best form. Marta Santa showed a keen turn of speed for five furlongs. Money Muss was right there until a furlong from home, where he fell away beaten.
Scratched—33675 Headwater, 102.

Alard ran well, but tired palpably when the pinch came. Barrack outstayed Corrigan in the last eighth drive for third place. John A. Clarke showed early speed. He bears watching from now on. Prince of Africa ran a dull race.

He ran Benckart into early submission and then went to the front with ease. Ben Chance was handicapped by a poor ride. He finished strongly and was willing, but Munro was of no great help to him in the final strides. Rollock II. finished strongly and wore down Lady Chorister at the end. The latter was well spent when a sixteenth out. Alene Abbott

Carrie I. was easily best of the others and always held second place safe. Oonee was under a hard drive all of the last quarter. She hung on gamely, but could not improve her position. Travers got a bad looking ride. This was not his race. He can do better. The Elba ran a fair race but tired in the run home.
